I'm going to say this. I have heard this same "Let's get them" for 8 years now. I made the mistake of supporting 4 previous "Let's get them" attempts/organizations (which all died) and sorry but I'm done. Good luck. - the Vigilante</p></div><div></div></div>

We just filed a motion for summary judgment on a pending trademark infringement case and quite honestly, the defendant is very out of touch with reality.
